

## Colleague Security Class List

Security Class	Description	Module Leader
CF-AP.CONUSSPECIAL	Manual Voucher Payment. Special access for CONUS AP Staff	Bob Liberty
CF-AR.SUPRVSR.MAINCAMP	Built with Finance Office accesses in mind, this would be for access to Student Records Accounts Receivable information for Main Campus Business Office Supervisor only.	Sherry Pollett
CF-CF.1099MAINTENANCE	Project Accounting. For those who need to prepare 1099 forms.	Bob Liberty
CF-CF.INFORMER.REPORTS	INFORMER Report Utility. End Users authorized access to Web reporting of Financial data via informer	Bob Liberty
CF-CF.PIVOTLINK.REPORTS	PIVOTLINK Report Utility. End Users authorized access to Web reporting of Financial data via PivotLink	Bob Liberty
CF-CTC.CF.APACCT1	Accounts Payable Accountant Functions. Built with Central Campus Finance Office in mind, this would be for Accountants to do maintenance, updates, and checks and balances over the Accounts Payable Department.	Bob Liberty
CF-CTC.CF.APACCTREC1	Accounts Payable Accounts Receivable Functions. Built with Central Campus Finance Office in mind, this would be for Accounts Payable/Accounts Receivable staff who do billing and receipting.	Bob Liberty
CF-CTC.CF.APBANK	Accounts Payable Bank Reconciliation Functions. Built with Central Campus Finance Office in mind, this would be for Accounts Payable Accountant to do Bank Reconciliation functions.	Bob Liberty
CF-CTC.CF.APCLERK	Accounts Payable Clerk Functions. Built with Central Campus Finance Office in mind, this would be for clerks to do postings, reporting, and maintenance.	Bob Liberty
CF-CTC.CF.APCOMP	Accounts Payable Comptroller Functions. Built with Central Campus Finance Office in mind, to do Accounts Payable Comptroller functions.	Bob Liberty
CF-CTC.CF.APCONUS	Accounts Payable Conus Sites Functions. Built with Finance Offices at Overseas and Conus Sites in mind, to do Accounts Payable functions.	Bob Liberty
CF-CTC.CF.APPROVAL	Texas Campus Requisition Approval Functions. Built with users in mind, this would be for all Texas Campus staff personnel who are in the requisition chain.	Ted Gonzalez
CF-CTC.CF.APSUPR	Accounts Payable Supervisor Functions. Built with Central Campus Finance Office Comptroller staff in mind, this would be for staff supervisor personnel to do accounts payable functions (accounts payable checks, reporting).	Bob Liberty

Security Class	Description	Module Leader
CF-CTC.CF.BUCOMPTROL	Administrative Finance Office. Built with Central Campus Finance Office staff in mind, this would be for Comptroller to do budget preparations, updates.	Bob Liberty
CF-CTC.CF.FXASSETS1	Fixed Assets Functions. Built with Central Campus Resource Management Office in mind, this would be for the Fixed Asset Clerks who to do fixed assets maintenance.	Ted Gonzalez
CF-CTC.CF.FXCOMP1	Administrative Finance Office. Built with Central Campus Finance Office staff in mind, this would be for Comptroller to do administrative functions over the Fixed Assets Department.	Ted Gonzalez
CF-CTC.CF.GENUSER	General User Functions (All Users get This). Built win all users in mind, this would be for all staff personnel to do purchase requisitions and general Finance Office routine functions.	Bob Liberty
CF-CTC.CF.GLACCOUNTING	General Ledger Accounting Functions. Built with Finance Office Comptroller staff in mind, this would be for Central Campus Comptroller staff to do financial maintenance.	Bob Liberty
CF-CTC.CF.GLBUDGET2	General Ledger Budgeting Functions. Built with Finance Office Comptroller staff in mind, this would be for Central Campus Comptroller staff to do budgeting maintenance.	Bob Liberty
CF-CTC.CF.GLBURSAR	General Ledger Bursar Functions. Built with Finance Office Comptroller staff in mind, this would be for Central Campus Comptroller staff to do bursar cash management maintenance.	Bob Liberty
CF-CTC.CF.GLCOMPTROL	Maintain General Ledger Comptroller Functions. Built with Finance Office Comptroller staff in mind, this would be for Central Campus Comptroller to do financial functions.	Bob Liberty
CF-CTC.CF.GLJESTAND	Maintain General Ledger Journal Entries Local Campus. Built with Finance Office Texax Campus and CONUS site staffs in mind, to do General Ledger Journal entries.	Bob Liberty
CF-CTC.CF.GLJEURSTAND	Maintain General Ledger Journal Entries for Europe / PFEC. Built with Finance Office Overseas staff in mind, to do General Ledger Journal entries.	Bob Liberty
CF-CTC.CF.PAACCOUNT	Project Accounting. Built with Central Campus Finance Office staff in mind, this would be for Project Accountant to do administrative functions in the Project Accounting Department.	Bob Liberty
CF-CTC.CF.PACOMPTROL	Project Accounting. Built with Central Campus Finance Office staff in mind, this would be for Comptroller to do administrative functions over the Project Accounting Department.	Bob Liberty
CF-CTC.CF.PUAPCLERK1	Purchasing Department Clerical Functions. Built with Central Campus Purchasing Office staff in mind, to do clerical accounts payable functions within the Purchasing Department.	Ted Gonzalez

Security Class	Description	Module Leader
CF-CTC.CF.PUBUYER	Purchasing Dept Functions. Built with Purchasing Department accesses in mind, this would be for staff on Central Campus to do Buyer functions for purchase requisitions and purchase orders submitted.	Ted Gonzalez
CF-CTC.CF.PUCLERK1	Purchasing Dept Functions. Built with Purchasing Department accesses in mind, this would be for staff on Central Campus to do clerical functions to print requisition purchase orders.	Ted Gonzalez
CF-CTC.CF.PUCOMP	Administrative Finance Office. Built with Central Campus Finance Office staff in mind, this would be for Comptroller to do administrative functions over the Administrative Purchasing Department.	Bob Liberty
CF-CTC.CF.PURAPPROVAL	Administrative Purchasing Dept Approval Functions. Built with Central Campus Purchasing Department in mind, this would be for the staff to do purchase order approvals and cut purchase orders for World Wide operations.	Ted Gonzalez
CF-CTC.CF.PURECEIVING	Shipping & Receiving Dept Functions. Built with Shipping & Receiving accesses in mind, this would be for staff on Central Campus to do receiving shipments approvals.	Ted Gonzalez
CF-CTC.CF.PUROVERSEA	Overseas Purchasing Dept Functions PO/REQ/RECEIVING. Built with Finance Office accesses in mind, this would be for staff overseas to do purchase order approvals and receiving shipments approvals.	Ted Gonzalez
CF-IT.DESKTOPMONITORING	IT Services Reporting. Built with Central Campus IT Services in mind, this would be for IT Director and or IT Staff who would do IT Desktop Maintenance Hardware Reporting.	Carla Littlefield
CF-ITDIRECTOR1	IT Services Reporting. Built with Central Campus IT Services in mind, this would be for IT Director and or IT Staff who would do IT Reporting.	Bob Liberty
CORE-CODEUPDT.ST.RESTRICT	Core VAL Codes and Code Files. Built with Central Campus Student Services in mind, this would be restricted access for staff person responsible to review, add, and change Core VAL codes and Code files.	Johnelle Welsh
CORE-CORE.AR.ECOMMERCE	Ecommerce access for those in Accounts Receivable who need to do setup and reporting.	Sherry Pollett
CORE-CORE.CRI.UPDT	Update access to indicate if a student, VA, FA or other student record has been scanned or purged.	Johnelle Welsh
CORE-CORE.CRI.VIEW	Allows student service employees to view if a student's physical file has been fully archived in the Softdocs system or purged.	Steven O'Donovan
CORE-CORE.DIRECTOR.UP	Used by Director of Counseling to view student screens and update academic programs. View test scores and view restrictions.	Steven O'Donovan

Security Class	Description	Module Leader
CORE-CORE.DSSV.PROJECT.UP	For staff who are assigned special tasks to support various areas of student services. Johnelle Welsh is the module leader	Johnelle Welsh
CORE-CORE.FA.COM.CODES	Communication Codes to display on Web. Built with Financial Aid staff in mind who view and update Communication Codes to be displayed on the Web.	Johnelle Welsh
CORE-CORE.FAC.ZIPCODES	Purchasing Dept Functions. Built with Purchasing Department accesses in mind, this would be for staff on Central Campus to do Zip Code Table maintenance.	Ted Gonzalez
CORE-CORE.HR.ORG.INFO	Human Resource Services. Built with HR Management Services staff in mind, this would be for HR staff utilizing Core Organization Information mnemonics to enable HR to setup the organization structures for the Workflow Management System.	Holly Jordan
CORE-CORE.NAE.TESTING.UP	Enter limited demographic data for person who hasn't applied for admission in order to import test scores.	Johnelle Welsh
CORE-CORE.REGISTRAR	System Registrar restricted access to Student Records and USCC. Built with System Registrar in mind.	Stephen O'Donovan
CORE-CORE.SD.VALCODE	Develop & maintain Val Codes. Built with Student Service Office accesses in mind, this would be access for staff members who develop and maintain VAL Codes.	Johnelle Welsh
CORE-CORE.STU.FR.SCAN.INQ	To help student file room scan returning student files in Softdocs.	Johnelle Welsh
CORE-CORE.TSI.TEST.IMPORT	Set up for SU011560 - Import TSI Assessment tests from College Board to Colleague.	Johnelle Welsh
CORE-CTC.CORE.FACPROF	Maintain Core Fixed Assets Functions. Built with Purchasing Department in mind, this would be for personnel to update Core updates and maintenance to fixed asset tables.	Ted Gonzalez
CORE-CTC.CORE.PUBBUYER	Purchasing Dept Functions. Built with Purchasing Department accesses in mind, this would be for staff on Central Campus to do Core Table maintenance.	Ted Gonzalez
CORE-CTC.CORE.PUCLERK1	Purchasing Dept Functions. Built with Purchasing Department accesses in mind, this would be for staff on Central Campus to do Core Table maintenance.	Ted Gonzalez
CORE-DATA.ELEMENT.LOOK-UP	Created to identify Colleague fields/file names. Useful for data analysts, informer builders etc.	Johnelle Welsh
CORE-DEMOGRAPH.UPDT.CF	Demographic additions and updates to Person File. Built with Finance Office accesses in mind, this would be for access to the Person file (through screens like BIO and NAE) for personnel who would do additions and updates to the file.	Bob Liberty

Security Class	Description	Module Leader
CORE-DEMOGRAPH.UPDT.HR	Demographic additions and updates to Person File. Built with HR accesses in mind, this would be for access to the Person file (through screens like BIO and NAE) for personnel who would do additions and updates to the file.	Holly Jordan
CORE-DEMOGRAPH.UPDT.ST	Demographic additions and updates to Person File. Built with Student Service Office accesses in mind, this would be for access to the Person file (through screens like BIO and NAE) for personnel who would do additions and updates to the file.	Johnelle Welsh
CORE-DEMOGRAPH.VIEW.CFST	Demographic view only to Person File. Built with Finance Office and Student Service Office access in mind, this would only allow the user to view Person/Demographic information	B Liberty or H Jordan
CORE-DEMOGRAPH.VIEW.HR	Demographic view only to the Person File. Built with HR Office access in mind, this would only allow the user to view Person/Demographic information.	Holly Jordan
CORE-EFORM.ELIGIBLE.L	Doc-e-fill Registry add date denotes student or employee access. Indicates why a person is not eligible.	Shelly Gonsalves or Johnelle Welsh.
CORE-FAC.MAINT.INQ	View only to location, buildings, rooms. Built with Staff Users accesses in mind, this would be for staff members who need to view locations, buildings, and rooms.	Johnelle Welsh
CORE-FACULTY.QUAL.UPDT	For student records. Built with Student Records Staff in mind, who update faculty qualifications.	Johnelle Welsh
CORE-CORE.FACULTY.TRAINER	Used by Employee Training Coordinator. Used for Training Coordinator to train Faculty members in WebAdvisor Test Environment.	Stephen O'Donovan
CORE-HR.ID.CARD.UPDT	HR will use XIDI to check if an ID card had ever been issued to the employee and/or student	Holly Jordan
CORE-HR.RESTRICT.FLTT.UPDT	Human Resource Services. To update translate tables and similar processes or codes when form includes codes specific to other applications. Restrict access for HR.	Holly Jordan

ST-RACT.PROCESS	For personnel to run a process to recalculate a student's academic standing	Stephen O'Donovan
ST-RECR.ASST.UPDT	Used by Recruiting Staff to update prospect information (to include create an NAE screen), use comm mgmt, and view student screens.	Johnelle Welsh
ST-RECRUITING.COORD	Used by Recruiting Staff whose primary functions are analysis of enrollments, recruitment and retention of distance learning students.	Stephen O'Donovan
ST-RECRUITER.UPDT	Used by Student Services advisors to update prosect information (to include create an NAE screen), use comm. Mgmt, view student screens, update acad prog, enter test scores, check equivalencies, and print schedules.	Johnelle Welsh

Security Class	Description	Module Leader
ST-REGISTRAR.REPORTING	Student Services Functions. Built with System Registrar's Staff in mind, this is for those who do State Reporting and high-level restricted processes.	Stephen O'Donovan
ST-REMARKS.UPDATE	For faculty/staff to record remarks about a student/applicant/prospect can categorize for reporting.	Johnelle Welsh
ST-REMARKS.VIEW	For faculty/staff to view remarks about a student/applicant/prospect can categorize for reporting.	Johnelle Welsh
ST-RESIDENCY.COORD	Student Services Functions. Built with Student Services Staff in mind, who perform administration duties with Admissions Department and review the residency of students.	Stephen O'Donovan
ST-RESTRICT.GRADES	Student Services Functions. Built with Student Services Staff in mind, who do restricted grade entry.	Stephen O'Donovan
ST-RESTR.REGCHGS.UP	Restricted to designated staff to make customized registration changes.	Johnelle Welsh
ST-SA.EDUC.SOC01	Develop & maintain degree audit, transfer equivalency tables & course work	Stephen O'Donovan
ST-SCHEDULE.BUILDER	Student Services Functions. Built with Student Services Staff in mind, this is for those who build sections for specific departments and sites.	Stephen O'Donovan
ST-SCHEDULER.DATA.ENTRY	Student Services Functions. Built with Student Services Staff in mind, this is for those who build sections for specific departments and sites.	Stephen O'Donovan
ST-SCHEDULER.VIEW.ONLY	Student Services Functions. Built with Student Services Staff in mind, this is for those who can view sections for specific departments and sites.	Stephen O'Donovan
ST-SD.VALCODE	Develop & maintain Val Codes Student Registration System	Stephen O'Donovan or J. Welsh
ST-SECT.ENRL.RPT	Specialized reports to monitor enrollments for various purposes.	Johnelle Welsh
ST-SITE.ADMIN.OPER	Student Services Functions. Built for Student Services super user at sites who do all administrative work and clean-up.	Stephen O'Donovan
ST-SITE.BUSOFC.BASIC	Built with Finance Office accesses in mind, this would be for access to Student Records Accounts Receivable information for staff at all locations except main campus (includes Ft. Hood, Continental, Navy, Europe, and PFEC locations; main campus part time cashiers).	Sherry Pollett
ST-SITE.RR	Ft. Hood/SITES access.	Stephen O'Donovan

Security Class	Description	Module Leader
ST-SKILLS.COUN.UPDT	Used by Skills Center Counselors to view student screens, update academic programs, view test scores and equivalencies, update application status to complete, print student schedules, enter TSI codes, enter Skills Center restrictions, etc.	Johnelle Welsh
ST-SOC.SETUP.UPDT	Allows administrators to set up SOC codes view setup in degree audit, update military statuses and run related reports	Johnelle Welsh
ST-SPEEDE	Student Services Staff. System Registrar's staff and transcript department processing the custom SPEEDE request for transcripts	Stephen O'Donovan
ST-SPEEDE.INC.TR	Student Services Staff. Transcribing staff processing the custom SPEEDE request for transcripts.	Stephen O'Donovan
ST-SS.BOOKS.UPDT	For CTC Bookstore staff to update textbook info in self-service student planning.	Dean Welsh
ST-SS.BOOKS.VIEW	For CTC Bookstore staff to view textbook info in self-service student planning.	Dean Welsh
ST-SSVCSEVALUP.RESTR	Restricted for designated student services evaluation staff to update student's historical records, pdst awarded credits/transfer credits, test scores and related functions.	Johnelle Welsh
ST-ST.AR.SB.UPDATE	Built with Site Finance Offices in mind, this would be for SITE personnel to update Sponsor Billing changes.	Sherry Pollett
ST-ST.AR.SB.VIEW	Built with Site Finance Offices in mind, this would be for SITE personnel to view Sponsor Billing charges.	Sherry Pollett
ST-ST.AY.ADM.APP	Provide access to Admissions employees to process AY applications.	Shannon Bralley
ST-ST.CORE.ID.CARD.UPDT	Add XIDP id Cards Extract parameter. Add CORE-ID.CARD.UPDATE to SOD record also.	Johnelle Welsh
ST-ST.DIR.EAGLEOC.U	Director responsible for Eagle On-Call Center. Restricted access to admissions, advising, registration and other phases of enrollment management.	Johnelle Welsh
ST-ST.DIRECTOR.COUN.UP	Built to include EXTs, IASU, TCEQ, INST and TXTS to provide the director counseling ability to update mnemonics.	Steven O'Donovan
ST-ST.DIRECTOR.ISS.UPDT	Allows International Student Director to access pertinent mnemonics for daily activities.	Stephen O'Donovan
ST-ST.DSSV.PROJECT.UPDT	For staff who are assigned special tasks to support various areas of student services. Johnelle Welsh is the module leader	Johnelle Welsh
ST-ST.EWC.DEPT.VIEW	Evening Weekend College staff to view/print student enrollment information.	Johnelle Welsh

Security Class	Description	Module Leader
ST-ST.FILEROOM.CLERK	Used by Student Services. Built with Student Services Staff in mind, for those who need to obtain information needed to create file labels and view student information needed for purging files.	Stephen O'Donovan
ST-ST.FACULTY.TRAINER	Used by Employee Training Coordinator. Used for Training Coordinator to train Faculty members in WebAdvisor Test Environment.	Stephen O'Donovan
ST-ST.GAE.SCHED.ENTRY	Enable GAE DL Records employees only to access certain mnemonics for the daily operations of the department.	Steven O'Donovan
ST-ST.GAE.SS.COORD	Enable GAE DL Records & Registration Student Services coordinators to complete daily work assignments.	Steven O'Donovan
ST-ST.GAE.XUAM	To provide GoArmyEd personnel with XUAM & FLTT.	Steven O'Donovan
ST-ST.ICEP.SETUP.L1	Used by Student Services. Built with Student Services Staff in mind, for those who need to build ICEP credit awards military and civilian, tests, course equivalencies.	Johnelle Welsh
ST-ST.INFORMER.REPORTS	INFORMER Report Utility. End Users authorized access to Web reporting of Student data via informer	Johnelle Welsh
ST-ST.LIBRARY	Student Services Functions. Built for Library staff in mind, this is to give Library staff the ability to place holds on students and employees and have view access and report capabilities.	Johnelle Welsh
ST-ST.MIL.SOC.UPDT	Update student's military information/benefits and post SOC agreements completed.	Johnelle Welsh
ST-ST.MIL.SOC.VIEW	To view student's military information/benefits and SOC agreements completed.	Johnelle Welsh
ST-ST.MIL.VET.CM.UPDT	Specific to military/veterans & family members-record remarks about student & auto-note/track communications to student.	Johnelle Welsh
ST-ST.MIL.VET.CM.VIEW	Specific to military/veterans & family members-view remarks about student & communications to students.	Johnelle Welsh
ST-ST.MYCOMPASS.EXTRACT	Extract Colleague degree audit programs for upload to MyCompass (Fast Forward).	Johnelle Welsh
ST-ST.NURS.STU.VIEW	For Nursing staff to view student information pertinent to daily operations.	Stephen O'Donovan
ST-ST.OS.EAGLEOC.UPDT	For Office Specialist II that works in the Eagle call center for VA processing and providing general student assistance.	Eva Hutchens

Security Class	Description	Module Leader
ST-ST.PIVOTLINK.REPORTS	PIVOTLINK Report Utility. End Users authorization to Web reporting of Student Record data via PivotLink	Johnelle Welsh
ST-ST.POLICE	Student Services Functions. Built for Police staff in mind, this is to give Police staff the ability to place holds on students / persons and have view access and report capabilities.	Johnelle Welsh
ST-ST.RECRUITER.DUAL.CR	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who are Recruiter/Early Admission/Dual Coordinators to access and input information as well as register students.	Johnelle Welsh
ST-ST.SOC.SA.CREATE	Generate and edit SOC student agreement.	Johnelle Welsh
ST-ST.STU.BUS.SVS.VIEW	For C&I Business services staff to view student enrollment/related functions. Manage holds and trouble shoot student type/date issues.	Johnelle Welsh
ST-ST.STU.FR.SCAN.INQ	To help student file room scan returning student files in Softdocs.	Johnelle Welsh
ST-ST.TDC.BILLING	Student Services Function. Built for Student Services staff in mind, this is for TDC staff to do TDC enrollments and process billing information.	Stephen O'Donovan
ST-ST.TEMP.RGN.UPDT	Create a registration security classification for temporary use and apply to Johnelle Welsh to help students with prerequisite issues.	Johnelle Welsh
ST-ST.TSI.IMPORT.VIEW	Import TSI scores in Colleague with view access to test setup (TTSI).	Johnelle Welsh
ST-ST.TSI.TEST.IMPORT	Set up for SU011560 - Import TSI Assessment tests from College Board to Colleague.	Johnelle Welsh
ST-ST.UTFB	Used by Student Services. Built with specific Student Records staff in mind to view <u>_HOLD_</u> files.	Johnelle Welsh
ST-ST.VA.INFO.UPDT	Specific to VA students. Enter student specific information & VA eligibility, record certification, run reports.	Johnelle Welsh
ST-ST.VA.INFO.VIEW	View VETS Veteran Students information and VTRM Veteran Student Term Information.	Johnelle Welsh
ST-STU.CIBUSOFC.B1	Allows C&I Business Office staff to view designated student info for job functions.	Johnelle Welsh
ST-STU.PETITION.UPDT	To grant/deny a student petition, faculty consent, or override or create a prerequisite waiver for a student who does not have the course prerequisite or official documentation of prerequisite.	Johnelle Welsh

Security Class	Description	Module Leader
ST-STU.PETITION.VIEW	To look up if a student petition, faculty consent or overload for a course or section was granted or denied.	Johnelle Welsh
ST-STU.REMARKS.UPDATE	Update student remarks and categorize remarks for reports.	Johnelle Welsh
ST-STU.SACS.UPDT	For staff to update manually a student's academic standing.	Johnelle Welsh
ST-STU.SUPT.SVCS.UPDT	Used by Central Campus Student Support Services (disability student support) advisors to enter student remarks, disability codes, and restrictions for students with disabilities.	Johnelle Welsh
ST-STU.SUPT.SVCS.VIEW	Used by Central Campus Student Support Services (disability student support) liaison personnel who need to view course information, run processes, and provide academic advising for students with disabilities.	Johnelle Welsh
ST-STU.SYS.CTR.VIEW	Used by Central Campus student Service center advisors to assist students with general admissions, registration student record questions and identify student registration issues.	Johnelle Welsh
ST-SYS.CLERK.SPEC	Student Services Functions. Built for Student Services staff in mind, this is for those who do System Personnel closeouts.	Stephen O'Donovan
ST-SYS.SPECIAL.PROCESS	Student Services Functions. Built for System Registrars staff in mind, this is for those who do System Special Processes ( batch grade verification update, recalc acad cred totals, enrollment verification, change verified grades).	Stephen O'Donovan
ST-SYSTEM.CI.CLERK	Student Services Functions. Built for Student Services staff in mind, this is for those who do C & I reconstruction of files, research, close-out of terms	Stephen O'Donovan
ST-SYSTEM.REGISTRAR	Student Services Functions. Built with System Registrar's staff in mind, this would be for those who do State Reporting, Research, Clean-ups, rebuilding, and high level restricted processes	Stephen O'Donovan
ST-TDC.PROCESS	Created to accommodate the need for TDC staff extract grades and achievements.	Steven O'Donovan
ST-TEST.REG	Complete registration capability (registration, reports, processes). Used for training.	Stephen O'Donovan
ST-TEST.SCHEDULER.ENTRY	Student Services Functions. Built for Student Services staff in mind, this is for those who build sections for specific departments and sites.	Stephen O'Donovan
ST-TEST.SCORE.ENTRY	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who enter test scores and view appropriate equivalencies.	Stephen O'Donovan

Security Class	Description	Module Leader
ST-TEST.SCORE.NAE.UPDT	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who enter test scores, view equivalencies, and create new people, when necessary.	Stephen O'Donovan
ST-TEST.SCORE.VIEW	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who need to view test scores and view appropriate equivalencies.	Johnelle Welsh
ST-TEXAS.REG.COORD	Setup for update access to TSUM for people at Texas sites including service areas.	Steven O'Donovan
ST-TRANS.REGACCESS	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who need to process unofficial transcripts.	Stephen O'Donovan
ST-TRANS.REGISTRATION	Student Services Functions. Built for Student Services Transcript staff in mind, this is for certain transcript personnel who need the ability to update student profiles and register students (RGPE mnemonic).	Stephen O'Donovan
ST-TRANS.SECTION	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who need to process transcripts, verifications, and create letters for mail out.	Stephen O'Donovan
ST-TRANS.VIEW.ONLY	Student Services Functions. Built for Student Services personnel staff in mind, this is for those who need to view students transcripts for the evaluation process.	Stephen O'Donovan
ST-TRANSFER.CREDIT.UPDT	Student Services Admissions Functions. Used by Student Services personnel staff in mind, this is for those who need to enter, delete, and update transfer credits. Primary screens are EXTR, EXTI, EXTS, INAT AND TEEV.	Johnelle Welsh
ST-TRANSFER.CREDIT.VIEW	Student Services Admissions Functions. Used by Student Services personnel staff in mind, this is for those who need to view transfer credits. Primary screens are EXTR, EXTI, EXTS, INAT AND TEEV.	Johnelle Welsh
ST-TRANSFER.EVAL.AST	Student Services Functions. Built with Student Services Staff in mind that enter evaluations and transfer equivalencies.	Johnelle Welsh
ST-TSI.COORD.UPDT	Used by Admissions Counselor who coordinates and implements the Texas Success Initiative program to view and update admissions and TSI-related screens	Stephen O'Donovan
ST-VA.CERT.UPDT	Used by Veteran Services to track VA Certificates, enrollments, and run related reports.	Johnelle Welsh
ST-VIEW.REG	This will give full view of registration.	Stephen O'Donovan
ST-WA.ADMIN.SETUP	Student Registrar's Functions. Built for Student Registrar's Office in mind, for those who set up WebAdvisor Administrator Setup functions.	Johnelle Welsh

Security Class	Description	Module Leader
ST-WA.HELP.DESK.UPDT	Student Services Functions. Built for Student Services Web Advisor Help Desk personnel in mind, for those who do Web Advisor help desk functions.	Stephen O'Donovan
ST-WA.TECHNICIAN.UPDT	Student Services Functions. Built for Student Services Web Advisor Technician in mind, for those who need to reset PINs in telephone and WebAdvisor; and add/remove students/faculty individually or batch.	Stephen O'Donovan
ST-XSCHD.EXTRACT	A screen that IT built for the Pacific Far East Campus to pull a schedule for contract reporting purposes. Special Extract / Reports for Ft. Hood and Far East.	Johnelle Welsh
UT-CTC.UT.COMPTROLLER	Maintain JDEF Functions. Built for Finance Office Comptroller access to do additions and updates.	Bob Liberty
UT-SP.BATCH.ASSIGN.U	Batch assign students/employees the necessary role required for Student Planning.	Stephen O'Donovan
UT-ST.SP.ROLE.VIEW	Designed for Student Services employees that need view access only with RSRO for Student Planning.	Stephen O'Donovan
UT-UT.RESOURCE.DATABASE	Human Resource Services. Built with HR Management Services staff in mind, this would be for HR staff to setup resources for the Workflow Management System.	Holly Jordan
