

## EagleMail Password Recovery

Use the following guide to add or update your phone number or email address for EagleMail password recovery.

1. Once logged into your EagleMail account, click on the arrow to the right of your account name. Click the 'Account' link from the small window that appears (see Figure 1).

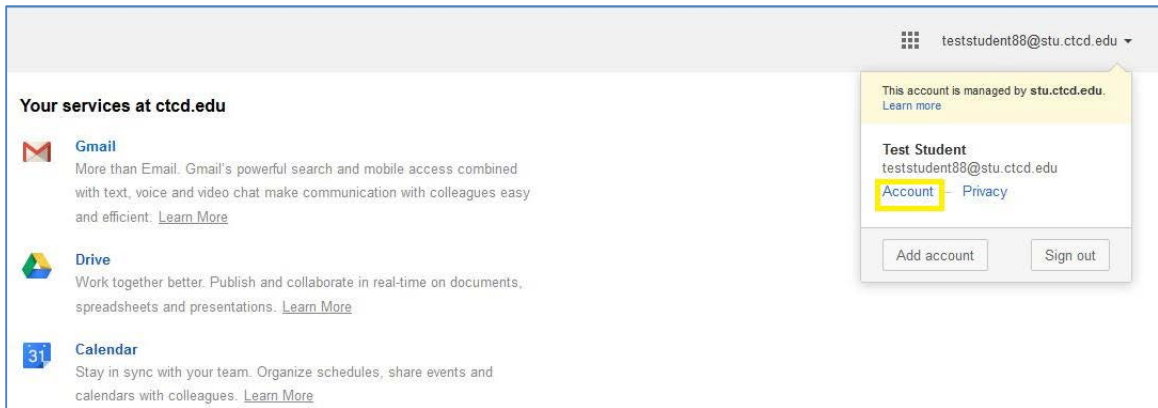

Figure 1

2. Open the 'Security' tab (see Figure 2).

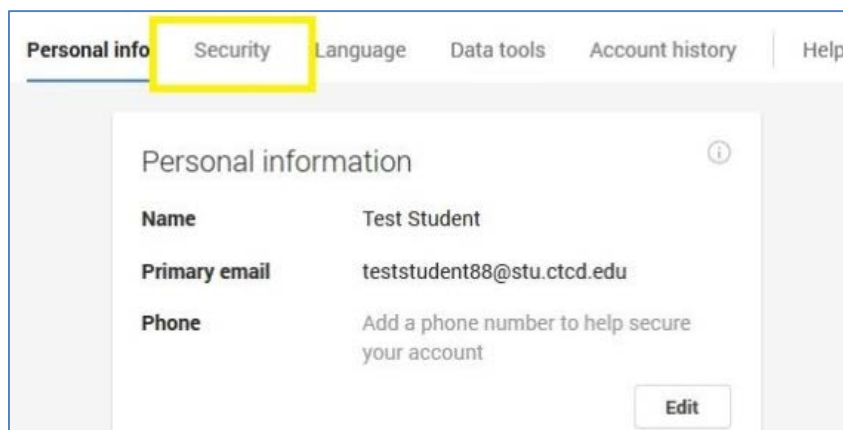

Figure 2

3. Under 'Recovery & alerts,' click 'Add a phone number' (see Figure 3).

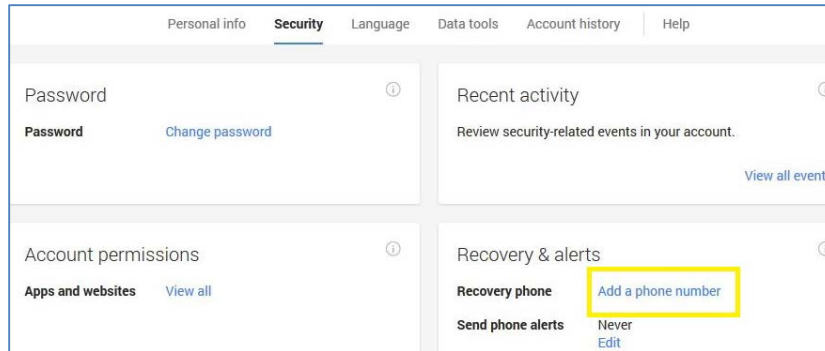

Figure 3

4. Enter a phone number or email address and click 'Save' when you are finished (see Figure 4).
