It will be blank if the student took transfer courses prior to enrolling at CTC.</p> <p>Note: For students who are not identified as a Dual Credit Student (STUDENTS; STU.SPECIAL.SERVICES = 'DC'), loop thru the STUDENT.ACAD.CRED records searching for those with an Academic Level of 'CR' (credit) with a credit type of 'ICC', 'IMC', 'GED', or 'TRC'. Of these classes, make sure the student was actually still enrolled as of the census date (for older terms with no census date, make sure he had a grade posted). Of these, determine the earliest start date of the transfer classes, and the earliest start date of those classes taken at CTC. Compare the two dates.
