Degree Objective-Provides graduates with a general education core curriculum foundation, which are appropriate for transfer to a four-year college or university program, and allows students to structure a program based on their interests and educational goals. Degree plan comprises 60 semester credit hours that includes 42 semester hours of core curriculum courses. The remaining 18 semester credit hours may be in an area of interest to the student. Program results in a two-year Associate of Arts in General Studies.

The Enlisted Education Program, part of the U.S. Army Training and Doctrine Command's (TRADOC) College of the American Soldier, is designed to expand existing civilian education choices for entry-level Soldiers in CMFs 11 Infantry, 13 Field Artillery, 14 Air Defense Artillery, and 19 Armor to provide them with degree options that will maximize college credit granted for military experience and NCO training. Associate degrees designated as "Enlisted Education Program" support TRADOC's pentathlete concept (leadership, supervision, management, and project management skills).
